Dear Harold and Lillian.

May you two be celebrating good "brivt". May you also be endowed with "omets" for the coming year, the last of this long century. May you also be blessed with the ability to pray for those less fortunate such as that insufferable pompous ass Harrison Livingstone who single handedly brought a catharsis to the American people on the loss of J.F.K. Harold, Harrison's brilliant work has proven that there is a conspiracy under every rock and that we all (as Penn Jones said) are going to die! Just Joking.

Anyhow I do want to see you soon, As you know I'm battling my own health problems. Life is temporal and hopefully rewards are great above!

IT'S A PLEASURE
TO SEND YOU GREETINGS
AT THIS HAPPY TIME
OF YEAR
AND TO WISH YOU TWO
ALL THE JOYS
OF THE CHANUKAH SEASON.

Harold and Lillian,
I pray for you both
every day!
Mazel tov!
sincerely Tom Weaver
